What others are saying...

"As moderator of the biggest event ever to be witnessed by Census Partners in the Dallas Region, (Southern Louisiana Partnership Conference, New Orleans, LA, August 18, 2009) Kat hits a "Grand slam". Playing to an audience, inclusive of the National Census Bureau's Director, the Regional director, and the Mayor of New Orleans, Kat came across as exhilarating, professional, and downright funny. Kat, a native of New Orleans, captured the audience with a home girl's flair, and her appreciation for a Cajun culture. This was certainly an event to be remembered."

Willie H. DeBerry, Partnership Coordinator- US. Census Bureau

She is without a doubt one of the most amazing people I know. Smart, funny, professional, sensitive, creative, tough, loving, and in case you haven't noticed, drop-dead gorgeous to boot. I have enjoyed the unique perspective over the years of having experienced, in many cases first hand, some of the realities that make up Kat's incredible life story. She is without a doubt the real deal."

Ed Roberson, MBA, BSME, Principal - ER Squared, Inc.

"Kat is one of the most inspiring women that I have met. Our members are excited and motivated when she shares her insight. She is well rounded, engaging and so easy to work with. I am thrilled to have her as one of our speakers."

Tamara Peyton Bell, Founder - The Home Pleasure Party Plan Association
